## What is Walk for Warmth?

Walk for Warmth is a volunteer community effort to assist low-income families with their heat-related utility bills. WALKS are sponsored by Capital Area Community Services, Inc., (CACS), in the City of Lansing, Ingham, Eaton, Clinton and Shiawassee Counties the fourth Saturday in February each year.

## How Are Funds Raised?

Funds are raised by individuals requesting pledge sheets and CACS and asking their friends to make pledges. Pledge donations of \$5 or \$10 add up quickly. Contributions can be made at any time by businesses or individuals. Checks should be made payable to CACS Walk for Warmth and mailed to one of the CACS Service Centers.

## Funds Are Needed

This year, with the loss of “Home Heating Assistance Funding”, it is more important than ever to raise local funds to help area families. Although there are no immediate solutions available to resolve this crisis, **you can help by joining us to raise funds to assist your friends and neighbors.** The walks have helped many who would not otherwise have had assistance.
